Organisation of the 11th German-Polish Colloquium on Student Affairs and Services

Dear Mr Selwent, *dear Tomasz*

Please allow me to express my sincere gratitude for the wonderful cooperation with Foundation ZAK and your personal contribution to the development of the partnership between Poland and Germany.

I am particularly thankful for the great organisation of the conference and highly professional hosting of the international participants. We were impressed by the modernity of the University of Warmia and Masuria and by the unique student services system offered by Foundation ZAK.

We received a lot of very positive feedback about the conference, about the services offered by the Foundation such as the quality of the meals and coffee breaks and the high standard of the guest rooms.

You have created as well a wonderful accompanying program showing some of the magnificent landmarks of the region.

I would like to thank you once again for your friendly welcome of the participants and for the support that you and the entire team of Foundation ZAK, especially Ms Marta Kołakowska and Mr Andrzej Makowski, have provided in pulling together such an impressive conference.

It was a great pleasure to cooperate with ZAK Foundation and we look forward very much to continue this effort in the future!

With kind regards,

Achim Meyer auf der Heyde
Secretary General
